

ATHOLTON SWIM TEAM

2017 Season Details

Last year the Barracudas finished the season as Division VI co-champions! We are moving up to Division V this season. We hope you will join us for another exciting season!

We are excited that **Michael Draminski** will be returning as Head Coach and that **Ally Van Netta** is also returning as an assistant coach. We are happy to welcome **Casey Flynn** to the coaching staff this year! They are ready to lead another great year of fun and fitness.

Practice Schedule

Volunteer Details

We need every family to pitch in to run the meets and make our season successful. With the current team size, in general we need every family to help with 2 or more slots at each home meets and 1 slot for most away meets. This year we are asking every family to cover a **approximately 8 slots throughout the season**. *New this year, we will be using Sign-Up Genius online so that you can choose which dates and jobs work best for your family.* Links for the Sign-Up Genius will be available soon or you can sign up on the papers at registration night. Please sign up for 6 slots as soon as you are able!

We are always looking for new **Stroke and Turn officials**. This job requires certification, so if you would be interested, please contact Catherine Daly for more information. We also would love to train a back-up **computer operator** for the scoring table.

There are also several **non-meet jobs** over the course of the season. In particular, we could use someone to be:

- Speeding Ticket Coordinator
- End-of-the-Season Banquet Coordinator
- Social Coordinator to help with Pep Rallies and the “Breakfast Your Mother Would Never Feed You”

There are several other non-meet volunteer options, as well. Please contact Catherine Daly, particularly *if your family finds it difficult to fulfill the volunteer slots at the meets* (due to work schedules, young children, health issues, etc.)
